

THAT LIVER IS NO GOOD

that is so lazy it lets the skin do part of its work. The skin turns yellow doing it. Such a liver upsets the whole system. Take Hood's Pills, they put the liver to work, best for biliousness, yellowness, constipation. Do not irritate nor gripe. Price 25c., of druggists or C. L. Hood Co., Lowell, Mass.

Itching Burning Eczema in Blisters On Little Boy Healed by Cuticura

"My little boy broke out with eczema on his hands and face when about two or three months old. At first it appeared in the form of blisters and we were given a wash to apply, and an ointment but they did not seem to do any good. These blisters soon dried and scaled over and then he broke out with a red burning itching rash. The itching and burning were so intense that some one held him a large part of the time."

"We decided to try Cuticura Soap and Ointment. He soon began to improve and after a few months he was completely healed." (Signed) Mrs. Wilson B. Foster, Weston, Vt.

It is easy to prevent skin and scalp troubles by using Cuticura Soap for all toilet purposes, assisted by touches of Cuticura Ointment to first signs of pimples, rashes, dandruff or irritation. Do not confound them with coarsely medicated soaps and ointments.

For Free Sample Each or Return Mail address post-card: "Cuticura, Dept. R, Boston." Sold everywhere.

ADAMANT

Mr. and Mrs. Myrl Lawrence are working for Harry Vincent in East Montpelier.

Fred Meland is working in the Little wooden mill in North Montpelier.

Henry Baldwin has moved his family from Irasburg to East Montpelier.

Vern Patch was home from his work in Montpelier over Sunday.

Mr. and Mrs. Earl York and children of Barre visited at Mrs. Bailey's Saturday and Sunday.

Miss Nathalie Gauthier of Goddard seminary visited in the place over the week end.

Mrs. James White has returned home from a week's visit with her sister, Mrs. Guy Rudd of North Montpelier.

DARKEN GRAY HAIR, LOOK YOUNG, PRETTY

Grandma's Recipe of Sage Tea and Sulphur Darkens So Naturally That Nobody Can Tell

Hair that loses its color and luster, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful, dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and luster and gives it an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.—Adv.

Worse off Than Before

Nearly all cough syrups or "balms" contain opiates or astringent drugs. If you take them when you have a cold, you will suffer from constipation, because of these drugs.

Without alcohol, opiates or any injurious drugs, Father John's Medicine has had more than 60 years of success for colds, coughs and throat troubles.

It has a gentle laxative effect that drives all impurities out of the system, and its food ingredients nourish the body and make strength.

There is no substitute for Father John's Medicine. Those who have used it are our best advertisers. Begin taking it to-day if you have a cold or cough.—Adv.

15 PER CENT NOT ENOUGH

Eastern Railroads Want a Larger Rate Increase

HEARINGS ARE BEGUN ON SCHEDULES

With Presentation of Evidence to Support the Railroads' View

Washington, Nov. 7.—Another phase of the fight of the eastern railroads for increases in freight rates which brought the executive heads of various great trunk line systems to Washington for Monday's hearing before the interstate commerce commission was inaugurated yesterday when Examiner Disque, by direction of the commission, began a series of hearings on separate rate schedules involved in the case. The railroads are asking not only the complete horizontal 15 per cent increase which they sought previously and were partly denied in the commission's decision last spring, but are urging further increases on the ground that the 15 per cent advance now would be inadequate to meet the mounting costs of war-time railway operation.

President Rea of the Pennsylvania railroad has advised the commission that even if it should grant the balance of the 15 per cent increase it will only leave the roads where they started in the case. He suggested that there might be an increase of a few cents per ton on coal, coke and ore. New England railway heads propose increases in class, coal and passenger rates.

The separate hearing began yesterday with a presentation of the case of the proposed increased rates on anthracite coal. The New Haven road alone expects \$300,000 additional revenue annually if the increase in coal rates is granted, and other roads will derive considerably more. Other hearings this and next week will concern petroleum, grain, lumber and cement.

The presentation of the case of the shippers will be made a week from Friday with final arguments in all phases of the rate case on Saturday.

BETHEL

Enthusiastic Red Cross Meeting Held Monday Evening.

Berlin Corners Red Cross society, the president of which is Mrs. Levi Bailey, with the object of awakening increased interest in the work that is being done for our soldiers and sailors, held a well-attended meeting Monday evening in the church. Mrs. Wilber Brown opened the proceedings with a piano forte selection of patriotic airs and Arthur Brown sang a solo. Rev. Frank Blomfield occupied the chair, calling attention in his introductory remarks to the fact that much of the criticism that he met with to the work of the food conservation administrator and of the Red Cross was unwarranted and frequently an excuse by which to evade responsibility. He stated, however, there had not been a single refusal to sign the food card at the corner. He felt that the right attitude was to obey orders from those who at the center had communication with all parts of the nation, and must know better than we can what is needed. He also answered criticisms in reference to the charges that had been made that things donated to the Red Cross had been sold, that knitted goods had been unravelled in France and made over for other purposes; that expenses were consuming the greater part of the receipts. He condemned these charges as absolutely untrue and begged his hearers to deny them whenever they could.

The main address of the evening was that of Major Norton, who gave in earnest and impressive tones a very graphic description of life in the trenches and matters relating to the war in general. He produced a Prussian helmet, called attention to the words in front and their reference to the Almighty, as if they were His special people, charged with the rule of the whole earth. A small whip with several leather thongs was shown and how it was used described. The gas mask and its use was illustrated by the speaker as he showed how it was carried and the way in which it was worn. The major was listened to with rapt attention and received some very marked applause as he concluded.

The national anthem, "My Country, 'Tis of Thee," closed the meeting. The Berlin Corners community is proving its interest in current events and its determination to do its bit. Few places of its size would turn out such an audience on two evenings running as has been done this week.

EAST BRAINTREE

O. R. Ladd of St. Johnsbury has been the guest of T. Tucker.

Mrs. Nettie Root of Randolph is visiting at Timothy Blanchard's.

Earl Kendall of Charlestown, N. H., is working for Herman Kent.

Mrs. Leslie Durkee of Quebec is with her parents, Mr. and Mrs. B. A. Durkee.

John Dipple of Brooklyn, N. Y., has been in town several days measuring lumber.

At the last meeting of the Col. F. V. Randall circle, inspecting Officer Max Emma Roberts of Barre and Department President Mrs. May Christmas of Burlington were present.

The ladies' aid held their annual chicken-pie supper and sale Tuesday evening. Saturday evening will be gentlemen's night at the grange.

Meat Unnecessary IN LOCAL MARKETS

SAYS J. H. WATSON, M. D.

Meat is the most expensive article of diet, and the least necessary. Add milk, cheese, fruit, fresh fish, to vegetable articles, and you have a good diet. The rheumatic should abstain from meats, or eat very sparingly. It is a well-known fact that in gout serious organic disease of the kidneys occurs. Such scientists as Fletcher, Minkowski, Hans, Vogt and Reich have shown that uric acid in excess is retained in the blood when the kidneys do not help excrete this poison. Uric acid retained within the body is believed to be the preceding stage or cause of Bright's disease. The excessive use of nitrogenous food or meats often increases uric acid.

High living, intestinal indigestion, constipation, disturbance of the liver, frequent chilling of the body—all result in retaining within the body an excess of uric acid.

The best way to overcome this condition and prevent rheumatism and gout is to drink plenty of water, say, a pint of hot water morning and night with lemon juice squeezed into it, and take Anurie (double strength) three times a day. This can be obtained at any drug store. This is my invariable prescription for the rheumatic person, and it usually follows that the rheumatic pains, the backache, such as lumbago, pains in the back of the neck or limbs, will disappear. This Anurie by its tonic effect upon the kidneys encourages them to greater activity and thereby the uric acid is thrown out of the system. It is also well to prevent constipation and that greater evil, auto-intoxication, to take bending exercises every morning, plenty of water between meals, and at least once a week take a vegetable laxative. Such a one is made of May-apple, extract of vegetable calomel and root of jalap, easily obtained at any drug store because sold for fifty years under the name of Dr. Pierce's Pleasant Pellets.—Adv.

HARDWICK

William S. Bunker Died at the Age of 53 Years.

William S. Bunker, one of Hardwick's almost lifelong and prosperous farmers, died at his home last Saturday afternoon following a shock early in the day, aged about 53 years. Mr. Bunker had been in quite poor health for the past year but was around as usual the day before his affliction. Mr. Bunker leaves a wife and a daughter and other relatives to mourn his loss.

B. W. Fisher has donated a second-hand piano to the boy scouts and it has been moved into their rooms, and the troops now have as finely equipped rooms as could be found anywhere.

Donald, 15 months old, one of the twin boys of Mr. and Mrs. V. G. Pitkin, died last Saturday morning. The funeral was held at the home Monday afternoon.

Miss Bessie Geddies has gone to Keene, N. H., where she has employment for the winter.

W. L. Folsom and wife returned last week from Newport, where Mr. Folsom has been employed during the summer.

I. Rich Kent of Brookline, Mass., was in town the latter part of last week to visit his mother, Mrs. Blanche Kent. She returned home with her son the first of the week, the trip being made by auto.

A daughter arrived in the home of F. Guizzetti and wife Oct. 31.

Earl Murphy, a former employee in the office of the Hardwick Gazette, but now of Gladstone, N. J., was in town over Sunday and the first of the week.

The condition of D. L. McGuire remains about the same.

F. L. Wood was a business visitor in Richmond the latter part of last week.

Professor Fuller of the academy has picked four teams from the basketball material in the school, made up into four teams, the red, blue, white and gray teams. Last Friday afternoon on the outdoor court the blues defeated the whites, 13 to 8, in a close and interesting game. Other games between these four teams will be played within a week to determine what men shall be given a try-out on the first team. The first game of the season for the academy team, which is not in the league this year, will be held at Hyde Park on Nov. 16, when a fast game is expected. The return game will be played here Nov. 23 at the gym.

C. T. Pierce, the village clerk, has been confined to the house since last Friday with an attack of chickenpox.

It is hoped that the party or parties who rang in the fire alarm from box 42, corner of North Main and High streets, last Saturday night at 9:20 o'clock, will be found and full justice meted out to them.

Harold Porter of St. Johnsbury was a visitor here the first of the week.

P. A. Shattuck and Rev. William Garner attended a Y. M. C. A. rally in Morrisville Sunday night.

The Hardwick steam laundry has again changed proprietors. F. L. Wood of Kirby, who has owned the place a week, last Friday sold the same to F. L. Dunn of Richmond, a former owner.

The boy scout masquerade, promenade, dance and box supper at the gymnasium last Friday evening was a great success, there being 50 couples masked and all had a most enjoyable time. The boxes brought good prices and besides these youngsters in masks there were about 100 spectators, who greatly enjoyed seeing the boys and girls have a fine time. Good music was furnished and the scouts' exchequer is better off by an even \$15 as a result. This is an annual affair and one that is looked forward to by the youngsters. The judges, Mrs. J. E. Howieson, Mrs. C. M. Leach, Mrs. F. E. Taylor, Ivan Hunt and L. W. Much, had hard work to decide on the awarding of the prizes, but it narrowed down to about a dozen and out of that lot Lawrence Shattuck received the first prize of best dressed boy, Miss Elizabeth Carter as best dressed girl, Paul Hutchins, worst dressed boy and Eunice Houghter, most ridiculously dressed girl.

Master Robert Lee Stewart, youngest son of Mr. and Mrs. John Stewart, met with a very painful accident last Friday afternoon, when he fell from a ladder upon which he was climbing into a tree near his home and broke the bones in his left arm just above the wrist. Drs. Ferris and George were called to set the fracture and Robert is getting along nicely.

Ralph C. Thomas was home from his work in Springfield the first of the week.

Butter, dairy—45c.
Potatoes—\$1.25¢@1.35

HOGS A LITTLE HIGHER

Other Livestock at Brighton Market Had Downward Tendency.

Brighton, Mass., Nov. 7.—Hogs advanced in price at the Brighton stockyards yesterday, but about everything else on the list had a downward tendency.

For cattle 10c appears to have been about the high price of the day for average tops, but at least one pair brought more, the shipping 11c or better. Quotations were 10¢@11c for fancy, 9¢@10c for average tops, 7¢@8c for good cattle and 6¢@7c for light.

Drovers found it hard to get over 8c for beef cows, as all kinds of beef stock was easier and slow of sale. A few fancy beef cows and heifers sold up to 8½c or a fraction better, but average tops brought 7¢@7½c, with good cows at 5¢@6c, ordinary cows and "slippers" 4¢@4½c and canners 3½¢@4c.

Calves were not further lowered in price, but the market was rather easy at last week's figures. Small fancy lots sold at 12½¢@13c, with bunch lots at 11¢@12c, fair lots at 9¢@10c and grassers and drinkers at 7¢@8c.

Owing to heavy arrivals of sheep and lambs from the West, the local market was dull and lower, best New England lambs selling at 11¢@12c, and sheep at 7¢@8c. Occasionally a fancy lot brought a little more, but they were rare.

Hogs were advanced about a half cent, with small receipts. Best stock sold at 17¢@17½c, with rough stock at 16¢@16½c.

Milk cows are doing rather better, as far as the demand goes, but prices are still easy for ordinary milkers. These are selling at \$40¢@\$50, and from this upward, some fancy milkers bringing \$125¢@150.

Dressed hogs have again been advanced, the packers now quoting 21¢@21½c, an advance of one-half cent for the week. At this time last year dressed hogs were quoted at 12½¢@12½c.

RED CROSS MEETING.

Men Well Versed in Work to Address Delegates at Annual Meeting.

The annual meeting of the Vermont state chapter of the American Red Cross will be held in Burlington Friday, Nov. 9. State headquarters will be at the Strong building, with a business session and conference of delegates from local branches at 2 p. m. at the Hotel Vermont roof garden, and a public meeting at 8 p. m. at city hall.

At the afternoon session there will be addresses by Miss Lavina H. Newell, director of women's work in New England division; Major Edward Archibald, M. D., Canadian expeditionary force, Montreal, and by W. H. D. Miller, Quebec provincial branch, Canadian Red Cross.

In the evening a patriotic chorus and a military orchestra from Fort Ethan Allen will furnish music. Remarks will be made by Governor Graham, Major Archibald and W. H. D. Miller. The principal speaker will be Dr. Robert N. Moore, Colgate university, Hamilton, N. Y., organizer of Red Cross chapters in that state.

YOUR ELIXIR SAVED MY LIFE

Words of a Maine Man

Henry O. Hanley of 17 Cross street, Belfast, Maine, writes us: "I am feeling lots better and think your Elixir (Dr. True's Elixir) saved my life."

Dr. True's Elixir is a great medicine, a Family Laxative and Worm Expeller. It tones the stomach, moves the bowels and expels worms. Surprising it is how many people have worms. Children suffer agony from worms. Signs or symptoms of worms are: Deregulated stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional gripings and pain about the navel, pale face of leaden tint, eyes heavy and dull, twitching of eyelids, itching of the nose, itching of the rectum, short dry cough, grinding of the teeth, little red points sticking out on tongue, starting during sleep, slow fever.

Get Dr. True's Elixir from your dealer. The cost is small. It expels worms and restores health. No better laxative made for young or old. Millions have used it. On the market 66 years. 40c. 60c. \$1. Write us.

Dr. J. F. Smith, Jr., Auburn, Maine.

CORINTH

Mrs. Bertha Patterson and Roy Prior of Jericho were at Roy Swift's Saturday.

Mr. and Mrs. Firman Gilman and son were callers at Hannah Comstock's Sunday. Mrs. Gilman went on to Washington to visit at Orrin Prescott's for a week.

Mr. and Mrs. Arthur Blake and Mr. and Mrs. Archie Witham went to Worcester by automobile Sunday.

Roy Swift has purchased of Casper Moulton his place at the Center. He took possession Oct. 29.

Word has been received of the safe arrival in Tampa, Fla., of Mrs. Martin and son, John.

Earl Hastings dropped a stitch in his back last week and for several days was unable to attend to his duties.

The dance at Cookville was well attended last Friday and a good time was reported. Another dance will be given Friday night, Nov. 16.

Olive and Otis Hastings have been obliged to leave school at Bradford for the present, on account of being needed at home. Mrs. Hastings is improving as well as can be expected.

Henry Burnham has finished work for Arthur Blake and Earl Witham of Worcester has taken his place.

Alvah Hastings and family have returned from their auto trip to Westminster and Keene, N. H.

Wallace Chalmers is building a new storehouse for the blocks.

CLEANSES YOUR HAIR, MAKES IT BEAUTIFUL, THICK, GLOSSY, WAVY

Try This! All Dandruff Disappears and Hair Stops Coming Out

Surely try a "Danderine hair cleanse" if you wish to immediately double the beauty of your hair. Just moisten a cloth with Danderine and draw it carefully through your hair, taking one small strand at a time; this will cleanse the hair of dust, dirt or any excessive oil—in a few minutes you will be amazed. Your hair will be wavy, fluffy and abundant and possess an incomparable softness, luster and luxuriance.

Besides beautifying the hair, one application of Danderine dissolves every particle of dandruff; invigorates the scalp, stopping itching and falling hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

You can surely have pretty, soft, lustrous hair, and lots of it, if you will spend a few cents for a small bottle of Danderine at any drug store or toilet counter and try it as directed.—Adv.

Allen will furnish music. Remarks will be made by Governor Graham, Major Archibald and W. H. D. Miller. The principal speaker will be Dr. Robert N. Moore, Colgate university, Hamilton, N. Y., organizer of Red Cross chapters in that state.

Game Mounted as It Should Be

Having had 10 years' experience in all kinds of game mounting, with the famous C. S. Phillips, Taxidermist, of Glover, I announce the opening of the New Taxidermy Shop.

I have mounted 1,500 deer and hundreds of birds and small animals, under the personal direction of Mr. Phillips, who says my natural ability as a taxidermist is unusual. It is "expression" that makes your trophies valuable and pleasing to the eye, and only a man with natural ability and long experience can give that "true to nature" touch to mounted wild animals.

Sportsmen who wish to permanently preserve their trophies at a moderate price and at the same time get that perfect contour of the body and wonderful expression of the face which my experience and ability guarantee, should be sure express packages and mail matter are addressed to

The New Taxidermy Shop

CLARENCE PHILLIPS, Proprietor Glover, Vermont

This is to certify that Clarence Phillips was in my employ several years in the taxidermist business, being a natural taxidermist, he produced the very best of work on my moose, caribou, deer, small animals and birds. (Signed) C. S. PHILLIPS.

Let it be clearly understood, The New Taxidermy Shop is in no way connected with the C. S. Phillips Co., Taxidermists, of Glover.

Going Higher

Now is the time to purchase the automobile you had intended to get next spring, as the prices are advancing and you will save good money by buying a Hudson Super-Six or Saxon Six Car at present prices. I still have a few good buys left in used cars.

B. W. GOODFELLOW, 69 So. Main St.
